

World Economic Situation and Prospects 2009

The Department of Economic and Social Affairs (DESA), the United Nations Conference on Trade and Development (UNCTAD), and the five UN regional commissions jointly published the annual World Economic Situation and Prospects 2009. It provides an overview of recent global economic performance, including a detailed analysis of the evolution of the global financial crisis, and short-term prospects for the world economy and serves as a point of reference for discussions on economic, social, and related issues taking place throughout the UN system during the year.
